

MATCHING GIFT COMPANY LISTING

The following is a list of companies known to match employee gifts of money and time. Please review your corporation's matching gift guidelines before applying for a matching gift. This list was created for your reference, and does not guarantee that a matching gift will be approved. Some of these companies will donate to a booster organization and some will only donate directly to the school. Please be sure to check before processing your donation so that it goes to the proper place.
