We are the official group photography company for the Macy's Parade. Your band will be videotaped & photographed while marching and performing in the parade. There will be three main parade photos of your band. One will be a "CLOSE UP" photo of your band. The second will be a "WIDE ANGLE" photo of your band with the floats and balloons that are behind you. The third photo will be of your "HERALD SQUARE" performance for the television cameras. The band will also have a group photo taken in uniform after the parade at the post office.

The band will also be videotaped from locations along the parade route creating a video DVD - of your band only. (Not NBC's footage.)

The price for these color 8X10 photos is \$25.00 each. If you order three or more photos you'll receive a free video DVD. **The free video DVD offer expires on Thanksgiving.** You may order more than one set of photos. An additional video DVD will come with each set of three photos ordered. **The video DVD is not sold separately.** See below for sample photos from last year's parade. Sample photos & video DVDs have also been sent to your band director so that you can see for yourself the quality of the photography and video.

All prepaid photo orders & video DVDs will be mailed the week following the parade. Photo orders that arrive after Thanksgiving will not include the free video DVD, and will take 3 to 4 weeks for delivery. Also, all photos come with a money back guarantee. If for any reason you are not completely satisfied, you may return them for a full refund. I hope you have a great time in New York! I'm sure this "once in a lifetime" experience will be one that you will never forget. All photos - including extreme close up photos of band members - will be online after the parade at [www.groupphotos.com](http://www.groupphotos.com). The "Order online here" link below will then be forwarded to the gallery with all of the new photos. Please allow a few days for the photos to be uploaded.
